

ENGINEERING SHOWCASE

Tuesday 17th April 2018, 10.30 am – 1.00 pm

Aula Maxima, Moylish Campus, LIT

The Engineering Showcase presents an extensive range of project work completed by the students of the Mechanical and Automobile Engineering Department, during this academic year.

Come and join us to chat with our students and take a closer look at their project builds and posters, representing a wide range of skills and projects including:

- 3D Solidworks
- CNC machined assemblies
- Engine builds
- Range of Test Rigs
- Facilities & HVAC analysis
- Process improvements and many more!
