### Note:

- Application deadline: **June 1<sup>st</sup>**. Applications submitted after this date will only be processed at the absolute discretion of LIT. LIT has one intake commencing in September of each year. Students must be present to commence studies, full-time, at the beginning of September.
- All admissions are subject to availability of places on the applicant's chosen programme.
- Transcripts of qualifications obtained prior to the current year and evidence of relevant work experience must be submitted with the application form. If transcripts are not available at the time of application, they should be forwarded to LIT immediately upon availability.
- All visas are the sole responsibility of the applicant and delays in the issuing of a visa to study in Ireland may result in a student being asked to defer their place until the following academic year. Please be advised fees must be paid in full before you receive a full offer letter, which is required to submit with a visa application. Note that we may share your details with the Irish Naturalisation and Immigration Service (INIS), in order to facilitate the visa application process.
- Students applying from visa required countries must also submit results of an internationally recognised English Language test such as IELTS or TOEIC. The minimum accepted score is IELTS 5.5 or equivalent for undergraduate studies and IELTS 6.0 for postgraduate studies.
- **Validation against NFQ (National Framework of Qualifications):**  
If you are presenting a foreign qualification (i.e. a qualification made by a recognised body outside of Ireland and the UK), we will need to validate this against the NFQ. We use the NARIC Ireland and UK service. If you have already validated your qualification, please attach with your application.
